Sir,

Subject - Re sale of bit of land in Block No 67, Krishnaraj Mohalla

In enclosing herewith a copy of the Resolution passed by the Trust Board held on 29th November 1944, I have the honour to state as follows

1 There is a triangular bit of land measuring 185/2' x 57' along Chamaraja Road, Mysore, by the side of Chikkabasammaiah's Choultry This land has been reserved by Government in Government Order No L 8481/M1 57-32-20 dated - 10th June 1935 for enclosing by tape iron railings and flower plants grown

2 There is a deep storm water drain running in the rear with a numb of ugly houses and lavatories facing the drain on the southern side One Mr Narayana, Editor, Mysore Patrika, applied for the grant of this land for constructing a nice two-storeyed building facing Chamaraja Road in this bit of -- land By this construction the ugly houses and the deep storm water drain -- will be covered and further as he intends running his press in this place it - will be a great help to the public, being centrally situated

3 Considering all these aspects of the case, the Members of the Trust Board have all agreed to sell a portion of this bit of land measuring 170/2' x 5C or 472 sq yds , at the schedule rate of Rs 2/- per sq yd , to Mr T Narayana for the purpose mentioned above

Sir,

With reference to your letter No L 6562 dated 3rd January 1945 re the sale of the bit of land near Basammiah's Choultry on Chamaraja Road to Mr T Narayana, I have the honour to state that Government had no doubt declined to sanction the previous proposals of the Board for disposing of the site in question for building purposes in their Order dated 12th August 1943 (note 12-8-1944) but the continuance of the area unbuilt, exposes to view the ugly drain and the back yards of the houses including lavatories to the south of the drain The Chamaraja Road is an important one and the distinguished visitors to the City take this route on their way to the Sandalwood Oil Factory or the Silk Factory etc The construction of a decent two storied building as was promised to be done by Mr T Narayana was calculated to cover up -- this ugly spot from view and to improve the appearance of the locality From this point of view the Board decided to approach Government for the grant of necessary sanction to sell it to Mr T Narayana as the vacant bit is not serving any useful purpose at present If so ordered the spot will be shown to the Minister for Law and Revenue during his next inspection of the City . I consider that its disposal for the construction of a decent storied-structure is very desirable and necessary

Amatyashiromani Sir T Thumboo Chetty,Kt.,O.B.E.,

Private Secretary to H.H.The Maharaja, Mysore.

Dear & Esteemed Sir,

There is a narrow triangular plot,next to Chikkasamma's Chowltry in Chamaraja Road. It abuts a canal,and has lain vacant for over 50 years.

The Trust Board during Mr.B.S.Raghavendra Rao's Chairmanship,had recommended its grant to me for locating offices,but it was not sanctioned.But subsequently on another applications,Mr.Pulla Reddy on the advice of the present Chairman,seems to have ordered its being reserved for some public purpose.

The site is insufficient for locating any Government building.

The locality is largely inhabited by Tamil and Telugu speaking people.Owing to lack of instruction they are growing up in ignorance of their mother-tongue,and of the valuable culture in those two great languages.

I wish to open a Tamil and Telugu School,open to all classes of the public.As several primary and middle schools are located in that road,this site would be suitable for the proposed school.

It is a public purpose,serving to fill a void in

the city,and it would be appropriate if Government would grant the site free for the purpose. The site has not cost Government anything. However I request that the site be kindly sold to me at Re.1 per square yard for a Tamil and Telugu School and other office purposes.

If the request meets with your approval,I shall be grateful for your good offices in the matter

Permit me to remain,

Yours Very Sincerely,

Dear Sir

As there are 40000 & 50000 Telugu and Tamil speaking persons in this City, the need for teaching the two mother-tongues is badly felt I wish to start such an institution, and have asked for a site on Chamaraja Road – it is fairly small and next to Chikkalasammas Choultry

The site belongs to Government and the Municipal Council has no authority in this disposition even otherwise the present Municipal Council is not in a position to consider such matters in a public spirited manner

There is also need for starting another High School in this City The site is meant to

afford scope for that also

As both the Tamil and Telugu school and the High School are meant for all class including the Depressed I request you kindly consider the request favourably and grant the site early

Thanking You

I remain
Yours sincerely
